MATH 1200 Tutorial 1 (September 12, 2023)

1. Attendance

2. Introduction

    – Joe Tran (jtran0@yorku.ca)
    – 4th Year Mathematics for Education

3. How to submit assignments on Crowdmark.

4. Tutorial for today: Working on Assignment 1 (LaTeX Tutorial)

Note: After today's tutorial, once you have completed all of the requirements in Assignment 1, you can submit it on Crowdmark. If not, the assignment is due on September 21, 2023

Goals:

- Be able to write assignments using LaTeX with the following:

    – Creating lists using `enumerate` or `itemize`
    – Insert images
    – Create tables
    – Add bibliography
    – Add equations in three different ways.
